

THE CUBE
DEVELOPMENT TEAM

April 7, 2020

To the Hockey World:

This was our first year playing in the ORHL (as a guest team) and everyone from the players and coaches to the parents and friends, thoroughly enjoyed the time in Canada. We plan to return for more hockey and somehow more often.

On behalf of all of us affiliated with The Cube we would like to thank Kevin and Diane, the ORHL teams, coaches, players and referees for accepting us as a guest team and for great hospitality. Everyone from our world at one time commented at how great the weekend of games are organized, and how fun it is to play here.

I think the best example of this came the last weekend of February. A mother of one of our Pee Wee players also brought his younger brother, Jaksa who dreamed of playing hockey in Canada. They flew in from Serbia. After several flight delays and rebooking, the airline lost all the luggage for this family, including their hockey equipment.

Diane and Kevin stepped in and asked other teams for help. And the other teams came through. Little brother joined the U10 Cube team with borrowed equipment and played the final 3 games. Jaksa was smiling from ear-to-ear as an 8 year olds dream of playing hockey in Canada came true. And they found all their luggage too.

That is the kind of league we saw first hand. Where kids come first and the league directors still see the players, coaches and parents as people. Thank you again and we hope to see everyone very soon.

PS: When the instructions came out to wear gloves as a Covid19 prevention, our players put on their hockey gloves. That says it all.

All my best,

Thomas Creal, Hockey Director
